Transmittals not received by the cutoff date may not prevent a subsequent renewal notice from being delivered at or around the renewal date.

Please note, renewals transmitted and received by the cutoff (which is also a National Target Date) will be updated prior to printing renewal notices, assuming they can be successfully scanned. Membership that must be hand-keyed (new members and renewals that cannot be scanned) will take longer to process. Please transmit as early and as often as possible in advance of the Target Dates to help avoid delays in processing.

All online membership processing transmittals submitted through myLegion by the end business on the cutoff date, will suppress printing of renewal notices.
